

# Online Classes

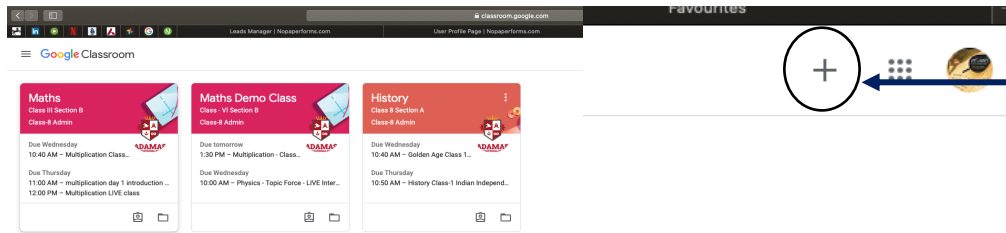

Guide for students

# Introduction

- From the 8<sup>th</sup> of April' 2020, Adamas Schools have started online classes for its students.
- These classes will via the Google Classroom platform which can be accessed through <https://classroom.google.com>
- Classes will happen as per class routine which will be shared before the beginning of the weekly classes.
- Students should ideally do the classes on a Desktop Computer or a Laptop.
- If one is not available, then students can use mobile phones, however, in this case they should follow instructions carefully in case of assessments, homework, and tests.
- The mobile app can be downloaded from both Google Play Store and Apple AppStore.

# Joining Classes

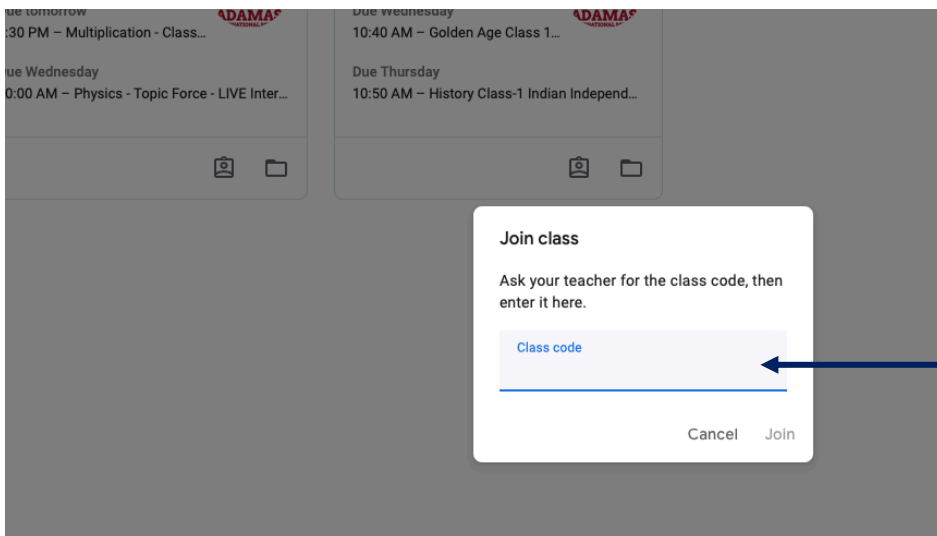

- Go to <https://classroom.google.com>
- Login with your personal or parent's Gmail ID and Password

Click on the plus sign

Select 'Join Class'

Enter the access codes to the class that you are trying to join\*

\* Attached to this guidance notes are all your class access codes. They are given subject wise. Join these classrooms one by one.

# The Classroom

The screenshot shows a classroom interface with three tabs: **Stream**, **Classwork**, and **People**. The **Stream** tab is selected and highlighted with an orange underline. Below the tabs is a large red banner with the text "History Class 8 Section A" and an illustration of a classical vase. To the left of the main content area is a sidebar with the heading "Upcoming" and two entries: "Due Wednesday 10:40 AM - Golden Age CL..." and "Due Thursday 10:50 AM - History Class-...". Below these is a "View all" link. The main content area displays a "Share something with your class..." prompt, followed by a class announcement: "Class-8 Admin posted a new assignment: History Assessment -1" at 11:40 AM, with a link to "1 class comment". Below this is a post from "Borno Anonyo" at 11:07 AM, which contains instructions on how to access assignment files, including a link to [digital.class@adamas.co.in](mailto:digital.class@adamas.co.in) and a password "@dmin12345". At the bottom is a comment input field with the placeholder "Add class comment..." and a send button.

## Stream

- This is the section where students can ask questions to teachers and also other students.
- Raise ideas for discussion.
- Questions for general debate and discussions.
- This also where all updates relating to assignments, tasks, exams, are first published.
- The small block on the lefthand side also gives a glimpse of the upcoming assignment due dates for students.
- Students are able to also attach files, links to websites, youtube links for discussion and debate in this section.

## Classwork

- This is the most important section of the online learning experience.
- This is where all your routine wise classes will be scheduled for each subject.
- Classwork section is filled with assignments based on the routine and each assignment has a due date and time.
- Important to finish each assignment within due date and mark the assignment as done.
- All lecture videos as per class routine are in the classwork section.
- All tests and assessments, home-works, exercises, are in the classwork section.

# Classwork

- Each activity in the class is set up as an assignment with a due date and time.
- All activities that are assigned to the student will appear here and they must finish it within its due time and date.
- For example, if History Unit-1 Class-1 is the first class that is to be attended, then the student must watch the lecture video and finish associate activities before the due date and time.
- There is option to ask the teacher any and all question relating to the assignment within the assignment section. Student can post their questions there and both teacher and other students can answer to the query.
- Completed assignments and tasks are greyed out and only the active ones remain in colour.
- Student can prioritise their work based on due dates on the righthand side.
